Presentations

It has been a busy month for presentations! Each one is important as it allows us to spread the word about CE and how we can help people with conditions such as Parkinson's or Multiple Sclerosis (MS).

Sue and Tash attended a Parkinson's UK event held by the Hereford and District Branch (pictured).

Amanda did a presentation at the Clive Arms, Ludlow for the Parkinson's UK Ludlow and Church Stretton Branch.

Sue also did presentations for Parkinson's UK Monmouth Branch and MS Society Worcester and District Branch.

Thank you!

A huge thank you must go to Roy. Roy is the father in law of one of our participants, and he celebrated a big birthday! He then donated his gift money to us, buying us lots of things from our Wishlist!

Thank you so much Roy, we are very grateful.

Achievement of the month

This month's achievement goes to our very own Becca, who has just passed her BA honours Conductive Education course.

I'm sure you will all join us in saying a massive well done to Becca!

EMPLOYEE SPOTLIGHT...

Chloe
Conductive Educational
Specialist

Employee spotlight will give you a chance to get to know our staff a little better. This month's employee spotlight is on **Chloe!**

1.If you could travel anywhere in the world, where would you go and why?

I would love to go back to Bermuda one day, I went on a school netball tour and have wanted to return ever since. Australia is another dream.

2. What inspired you to start a career in CE?

I did work experience at 17 and was fascinated by what I saw here. 20+ years later I'm still here!

3. Your favorite Movie or TV show?

I like a good reality show but more often than not you'll find me watching Power Rangers – not my choice!

4. Do you have any pets?

Yes, we live in a small holding so have around 70 sheep and 2 dogs.

5. What's a fun fact most people wouldn't know about you?

I'm not sure it's a fun fact, but we are currently renovating an old farm house.
